## LARISSA PEIXOTO GOMES

[www.larissapeixoto.com](http://www.larissapeixoto.com)

### SUMMARY

---

I am a political scientist with a multi-disciplinary background. I have specialised knowledge of comparative research and experience of using a gendered and racialised framework for a more complete picture of political dynamics. Due to my eclectic experience, I am capable of working on single or multi-disciplinary research projects and policy briefings. I am proficient in several methods, techniques, and software, both quantitative and qualitative. I am passionate about knowledge dissemination and public engagement and have worked with varied audiences. I am a member of the Institute for Globally Distributed Open Research and Education (IGDORE) and other reputable research organisations and have secure researcher access with the Office for National Statistics. I am proficient in Portuguese and English, with working knowledge of Spanish and French. Currently, I am a research officer for the Wales Centre of Public Policy.
